CAPITAL ONE CUP FINAL

Manchester City v Sunderland

Sunday 2nd March 2014

The following information has been put together by Wembley Stadium to assist **Manchester City** and **Sunderland** fans in planning their journey to and from the Stadium for the Capital One Cup Final, 2014.

This information is correct at the time of compilation. Visitors are encouraged to check with the appropriate transport providers closer to the date of the event for any updates.

Wembley Stadium is a public transport destination. Further information about travelling to the Stadium can be found at: ***www.wembleystadium.com/gettingtowembley***

By Coach

National Express offers coach transfers from all over the United Kingdom to the coach park at Wembley Stadium. For more information or to book your place on a coach, please visit ***www.nationalexpress.com/wembley***

Car Parking

Parking is available in the official car parks adjacent to Wembley Stadium and can be pre-booked via City and Suburban Parking (CSP). For pricing or to book a space, please visit ***www.gotocsp.com/bookings***

Alternatively call the telephone booking line on 0208 795 1758 and leave your name and number and CSP will return your call. There are dedicated areas for blue badge holders, coaches, minibus and motorcycles.

A number of unauthorised car parking sites operate within the Industrial Estate on the approach to the Wembley complex. For your own protection, we would strongly advise that you do not use these and choose Wembley City Official parking.

The local authority operates a protective parking zone on event days, extending in a 1.5 mile radius around the Stadium. Only residents with permits will be allowed to park within this zone and the local council has stated that illegally parked vehicles will be issued with large parking fines and/or towed away.

Complimentary bicycle parking is available on street level (B2) in the north east corner of the Stadium (near the Green car park).

By Rail

Full details of National Rail train times are available at ***www.nationalrail.co.uk***

PLEASE NOTE EAST COAST MAINLINE TRAINS TO/FROM SUNDERLAND: Wembley has been informed that for this event the first available train arrives in to London's Kings Cross 45 minutes prior to kick off as a result of track inspections. Network Rail and the TOCs have worked on a number of plans and will now provide the following:

- Two additional trains to London Saturday afternoon because all existing services are fully booked (not normally the case).

- For Sunday morning the two TOCs are going to provide 5 additional trains (carrying circa 3,000 fans) that will get to Kings Cross before 1pm; and they are looking to run the existing train in a bit earlier to give more time for fans to get to the Stadium.

- On the return journey, there are rail engineering works that will prevent the additional trains getting all the way back to Sunderland. In discussion with the Police they are arranging a transfer to buses at Durham station (to avoid Newcastle) to complete the journey.

Information relating to London Underground, London Overground or London Buses services are available at ***http://journeyplanner.tfl.gov.uk*** or by phoning 020 7222 1234.

Please remember to plan your journey in advance checking for planned engineering works or service alterations which may impact your journey to and from the stadium. Visitors are advised to always allow sufficient time to **complete** your rail journey home after the event.

To avoid ticket office queues when leaving the Stadium, we recommend you buy your Tube ticket as part of your National Rail ticket. Alternatively, buy an Oyster card online in advance. Using an Oyster card is the quickest and cheapest way to travel when using the London Underground or selected National Rail services including Chiltern Railways. Wembley Park and Wembley Central Stations are in **Zone 4**. Visit **www.tfl.gov.uk/oyster** for more information.
