

How close do you want to be?

BOBBY MOORE
CLUB

To witness an event at Wembley Stadium is a magical experience.
Whether you're five or seventy five, if you are a football fan there
should be nothing better on this green Earth.

But there is.

Welcome to the most exhilarating and stylish way to see
the greatest events at Wembley.

Are you ready to get closer?

Close enough to see the stitching on the ball...

As a Bobby Moore Club member you'll have the ideal seat to watch both teams attack for 90 minutes. Your perfect half-way line vantage point will mean you'll find it hard to watch football from anywhere else. Luckily, as a Bobby Moore Club member, you won't have to.

With seats between the team dug outs and the Royal Box,

you are close enough to hear the managers shouting tactics.

On arrival you're ushered into the Bobby Moore Room.
A stunning environment for spending quality time
with guests, whether you talk business or pleasure.

You'll be looked after by our attentive staff and enjoy
world class dining, from a four course meal to lighter
refreshments and all just metres from the hallowed turf.

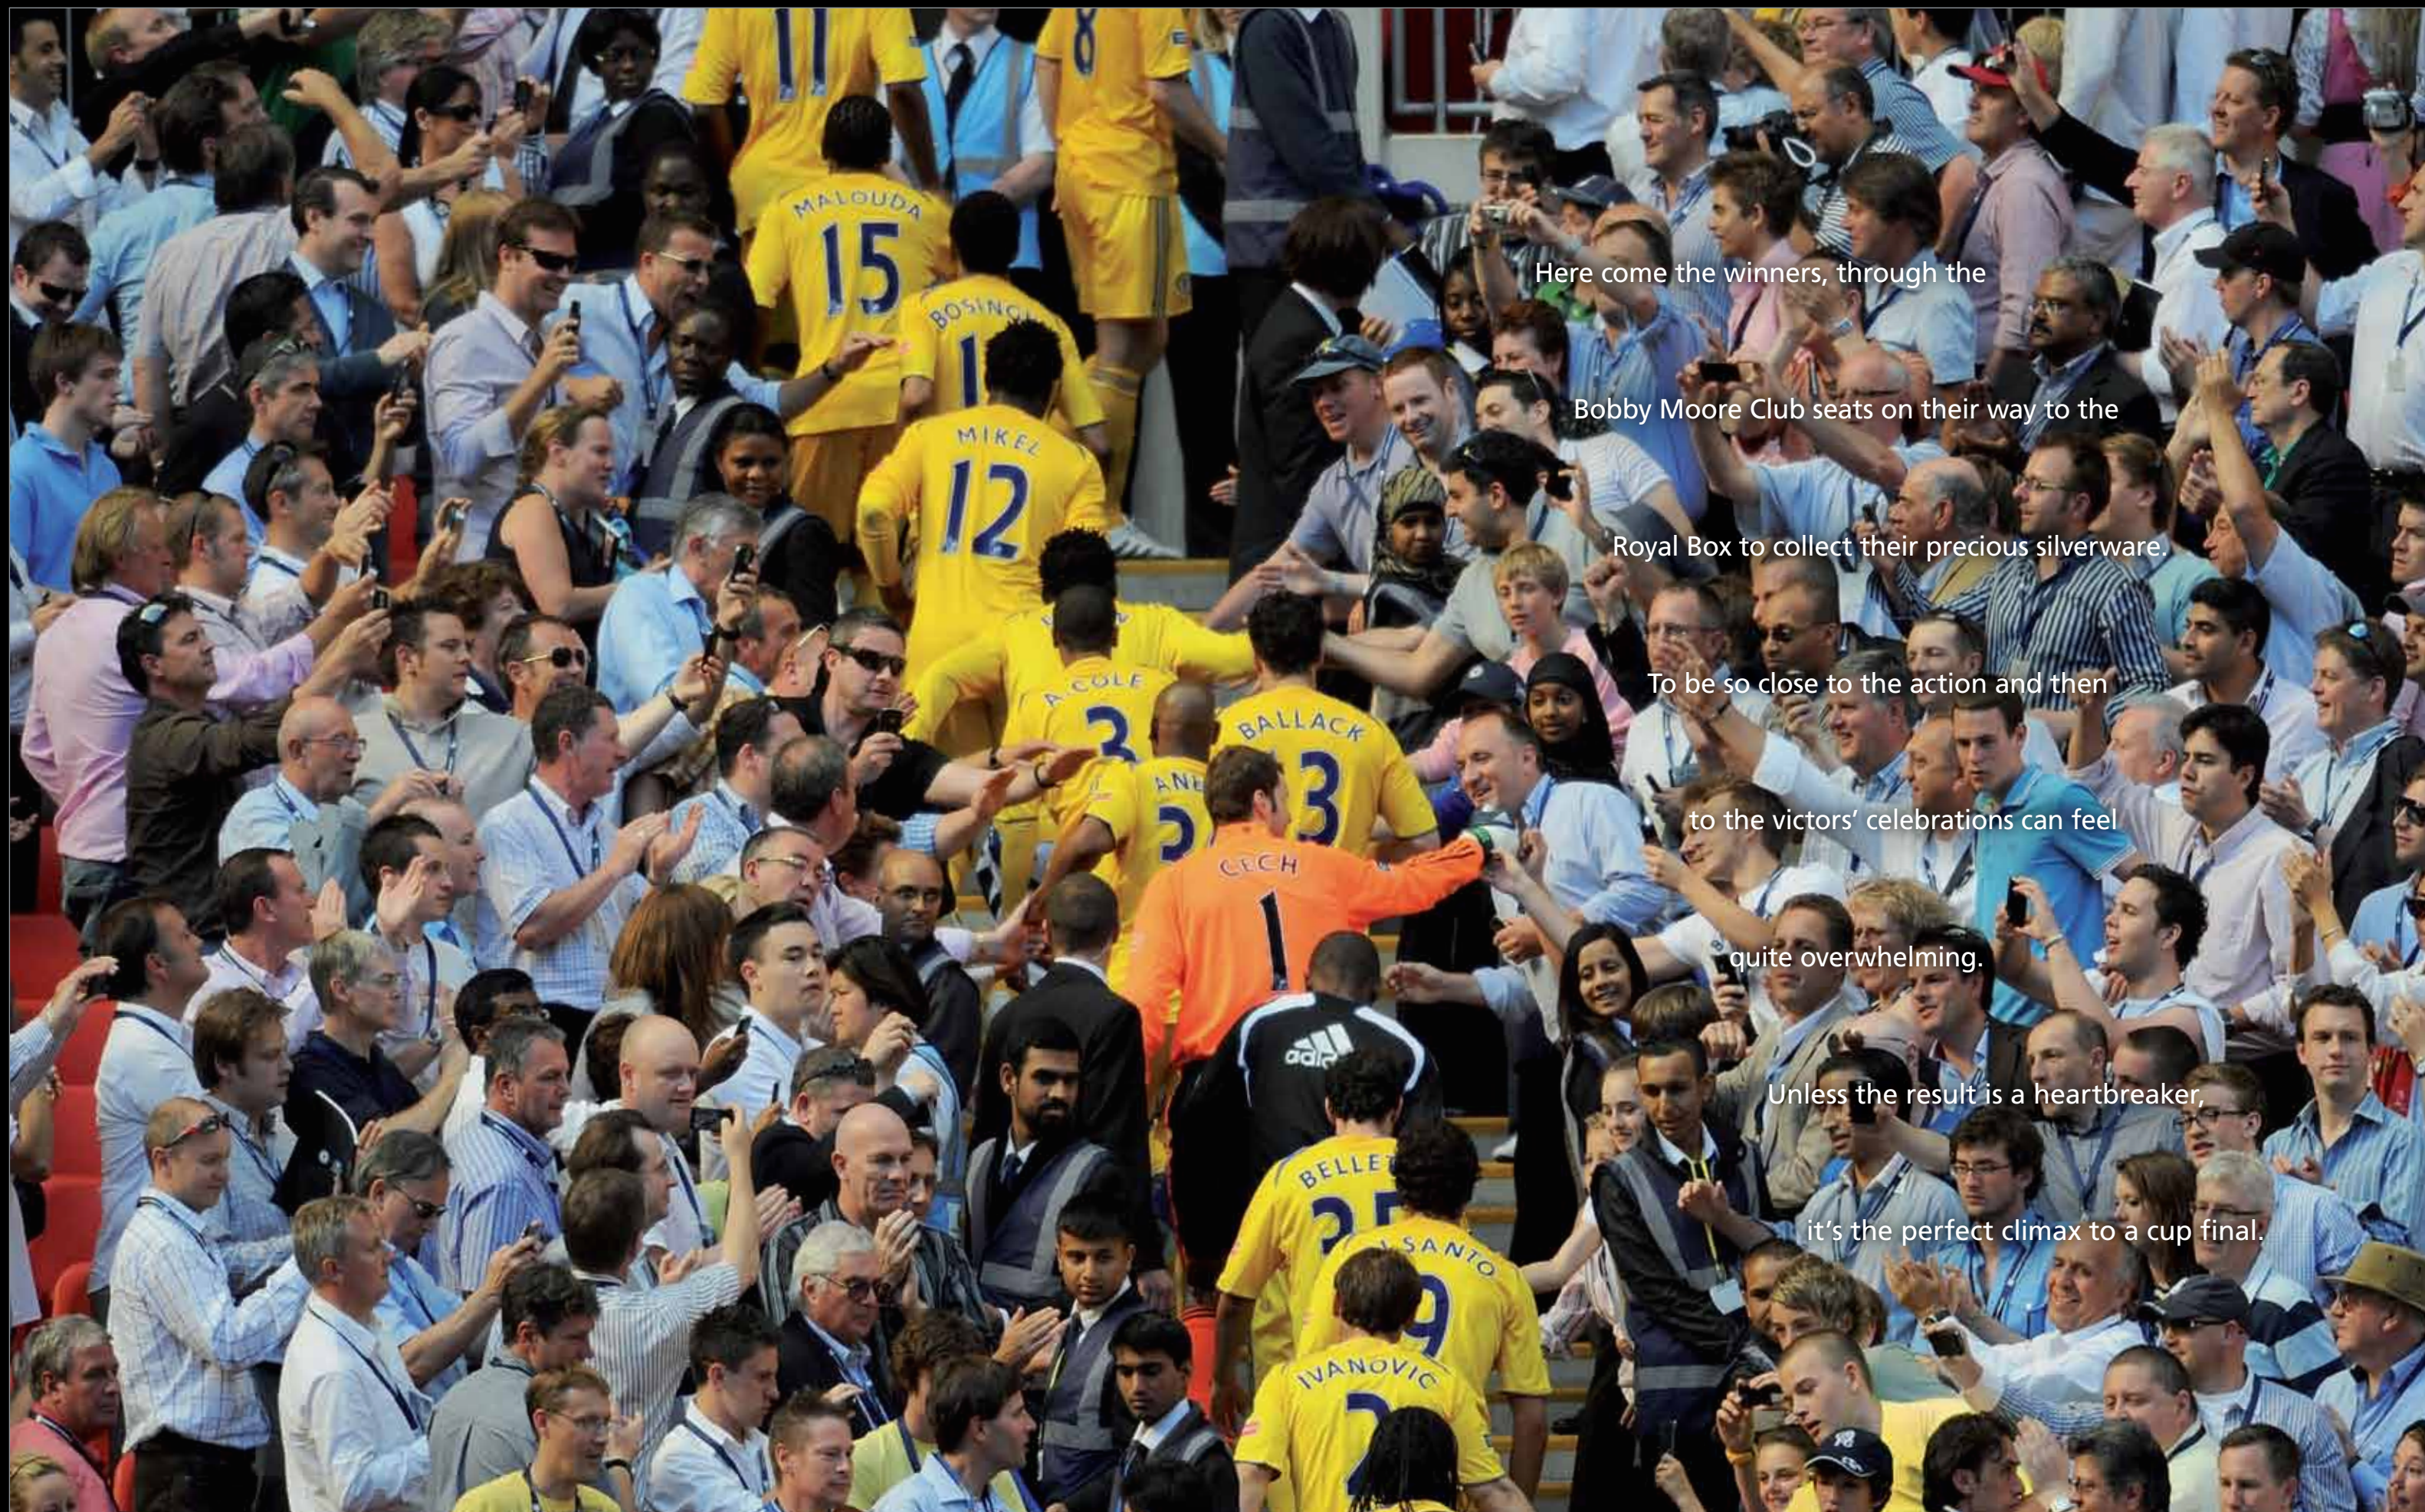

Whatever your idea of the perfect
half time refreshment is, you will
find it in the Bobby Moore Room.
It's just a few steps away from your
seat which you can stay in right up
until the referee blows his whistle
because you don't have to avoid
the rush. That in itself is
quite refreshing.

Our members relish the chance to enjoy other amazing sporting occasions, from Rugby Union to the spectacular NFL International series.

Bobby Moore Club members also have priority access to some world class concerts. Previous acts include U2, Coldplay, Madonna and Take That. They are some of the greatest shows on Earth and you always get first pick.

Here come the winners, through the Bobby Moore Club seats on their way to the Royal Box to collect their precious silverware.

To be so close to the action and then to the victors' celebrations can feel quite overwhelming.

Unless the result is a heartbreaker, it's the perfect climax to a cup final.

Just half an hour and a world away from Wembley Stadium on match day is Stoke Park Club, one of Britain's finest golf and country clubs.

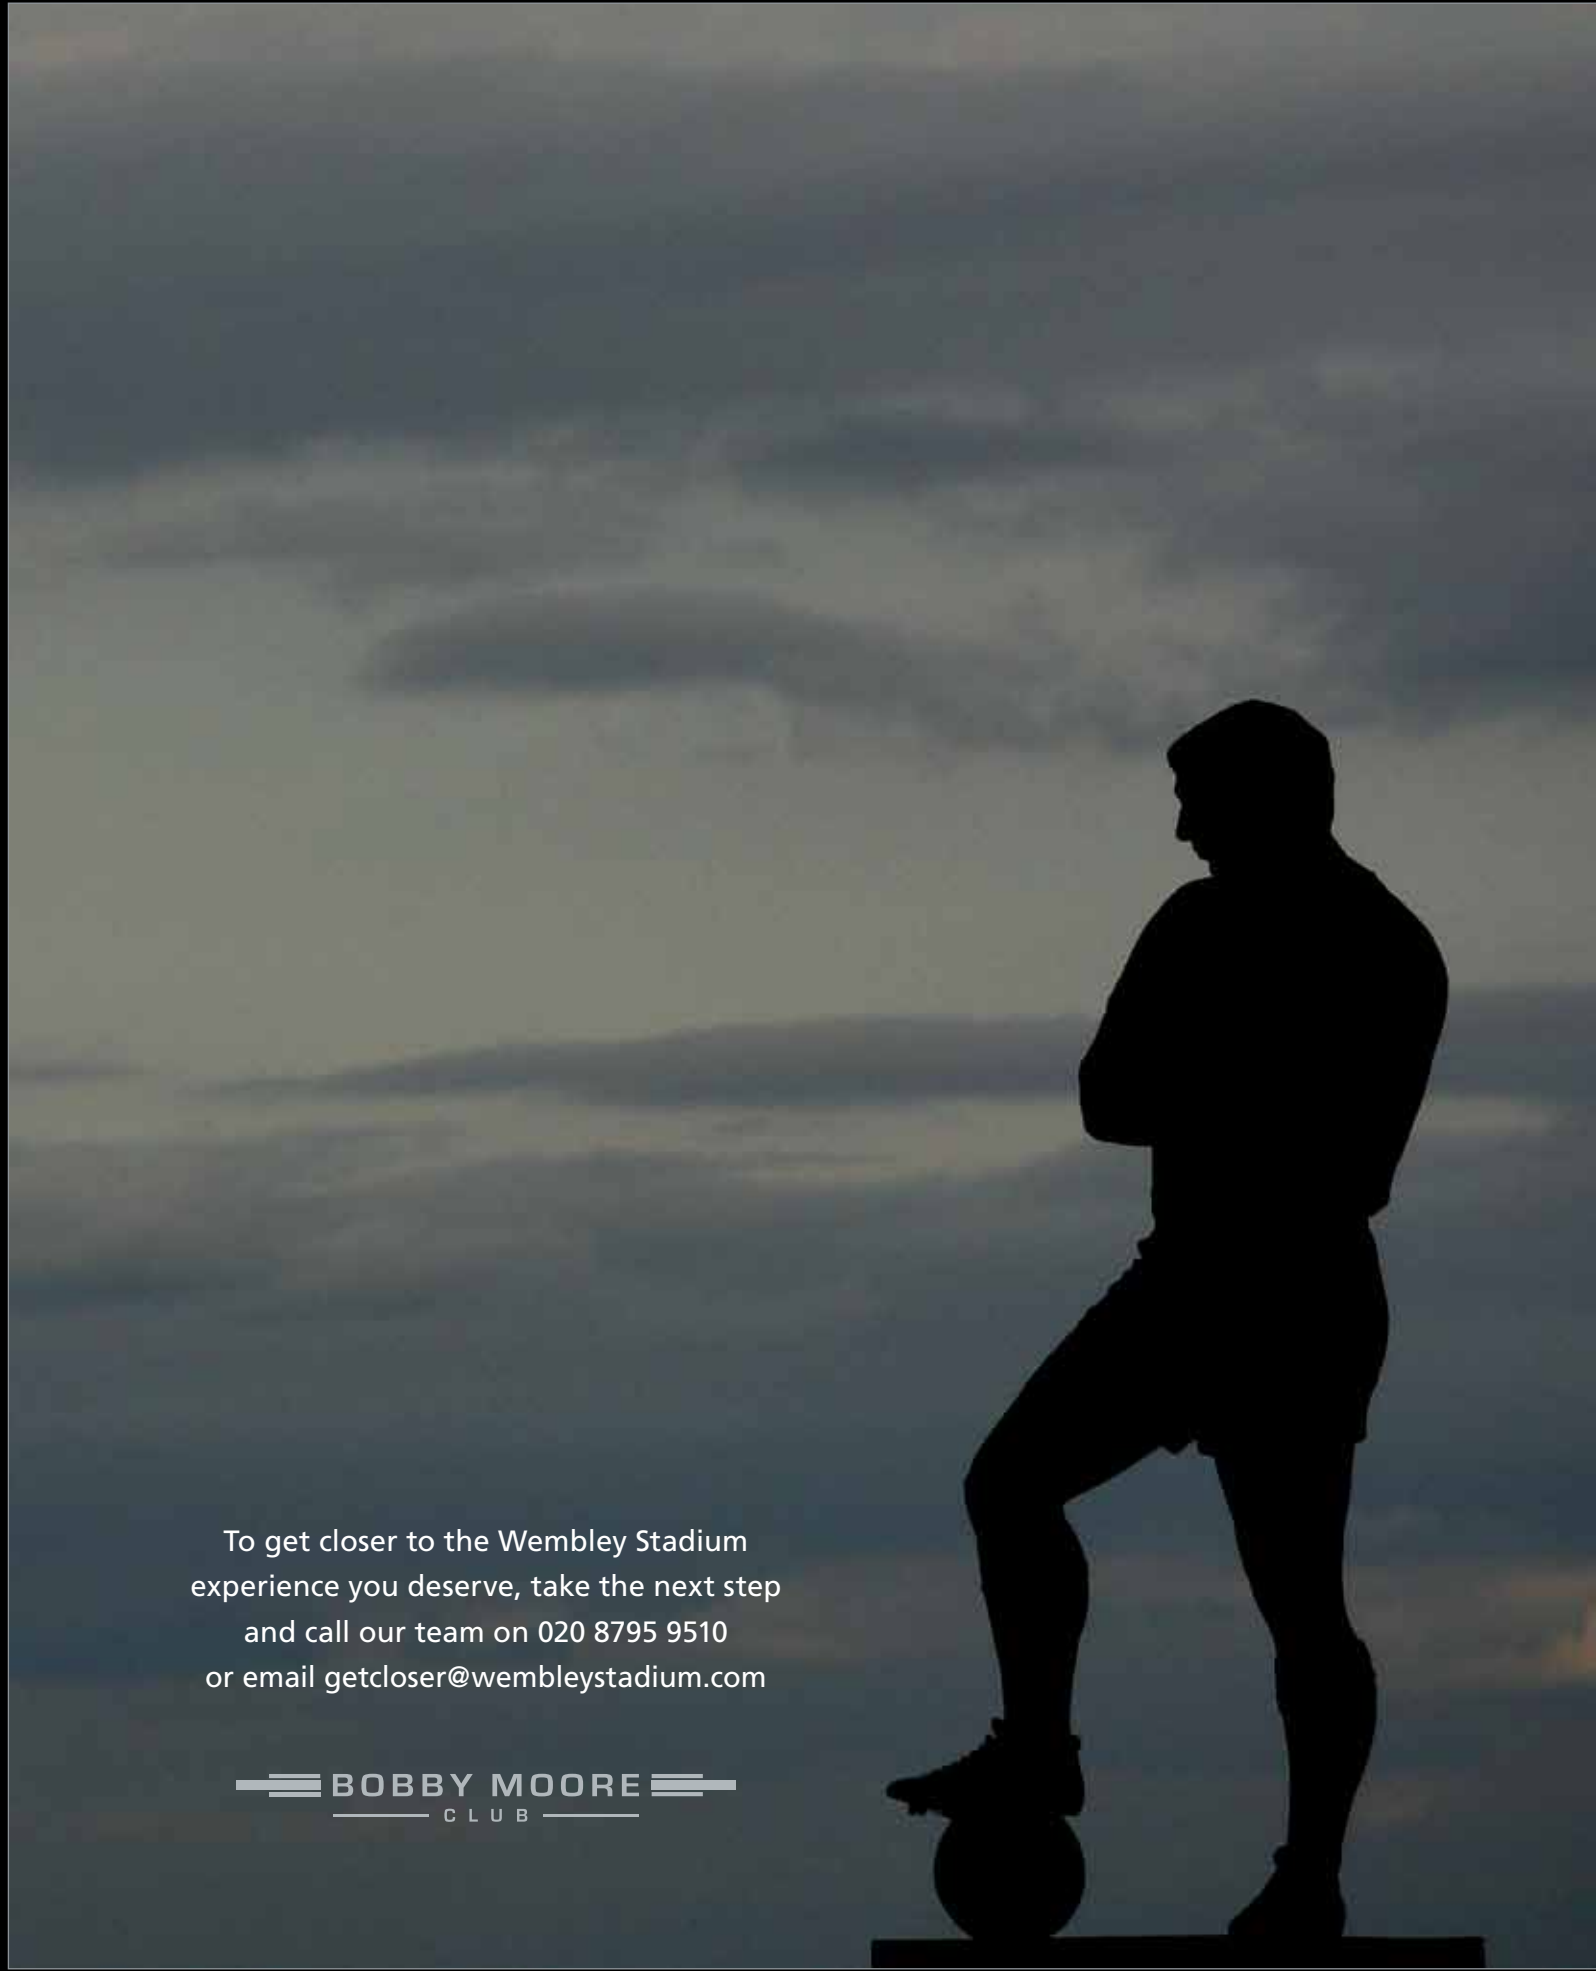

Bobby Moore Club members are also entitled to social membership here, giving you access to a calendar of exciting events and access to the stunning facilities including the historic 27 hole championship golf course.

Your line up until 2018 includes*:

- All England Senior International home games
- Both The FA Cup Semi's and The FA Cup Final
- The FA Community Shield
- The Football League Cup Final
- The Rugby League Challenge Cup Final
- Priority access to world class concerts and sporting events
