Alternatively call the telephone booking line on 0208 795 1758 and leave your name and number and CSP will return your call. There are dedicated areas for blue badge holders, coaches, minibus and motorcycles.

A number of unauthorised car parking sites operate within the Industrial Estate on the approach to the Wembley complex. For your own protection, we would strongly advise that you do not use these and choose Wembley City Official parking.

The local authority operates a protective parking zone on event days, extending in a 1.5 mile radius around the Stadium. Only residents with permits will be allowed to park within this zone and the local council has stated that illegally parked vehicles will be issued with large parking fines and/or towed away.

Complimentary bicycle parking is available on street level (B2) in the north east corner of the Stadium (near the Green car park).

Full details of National Rail train times are available at www.nationalrail.co.uk

PLEASE NOTE EAST COAST MAINLINE TRAINS TO/FROM SUNDERLAND: Wembley has been informed that for this event the first available train arrives in to London's Kings Cross 45 minutes prior to kick off as a result of track inspections. Additionally, during the day rail commissioning works will be taking place at Doncaster which may add to some journey times. The return journey to Sunderland should have minimal issues, however, we would recommend checking your route before you leave, or looking at coach alternatives.
